DEMO

The image displays a standard 12-lead ECG tracing on a grid background. The leads are arranged in a 6x2 column format. A red line is overlaid on the tracing, representing the heart rate (HR) calculation, which is noted as 72. The word 'DEMO' is printed in large, bold, black letters across the center of the ECG grid. The tracing shows a regular rhythm with visible P waves, QRS complexes, and T waves.
